Educational Master & Strategic Planning Task Force June 1, 2009 Notes 4:00PM President's Conference Room

Agenda

1. Review 2nd draft of mission, vision, values, and purpose to be presented at constituent groups.
2. Review prose that Paul and Rosemary developed around vision, values, and the strategic initiatives to be presented at constituent groups.
3. Finalize who will be presenting the finalized drafts of everything at the following meetings and times.

Next Time

1. No meeting on June 8th due to all the presentations this week and next week.
2. Final tweaking based on feedback will happen at meeting on June 15th.

Team Members Participating

I-Chen Wen (ASFC), Judi McAlpin (CS), Dolores Davison (AS), Rosemary Arca (AS), Daniel Peck, Lucy Rodriguez, Katie Townsend-Merino

Notes:

1. Several spelling and grammatical errors were fixed, but as a whole the group left the language intact in order let the constituents groups provide feedback.
2. The group also had a discussion about the importance of a process that is collaborative, but not necessarily consensus building - meaning that listening to every perspective doesn't mean all perspectives will be reflected in the final decision.
3. Overall, the group liked the prose in both the statements and strategic initiatives.
