RE: Waitlisted Courses for Fall 2012

Overview

Fall 2012 courses that have a waitlist of at least one student were identified. As of September 19, 2012, there are 1,975 students on the waitlist. These students are waitlisted for 144 courses or 356 sections (356 distinct course record numbers). About one-third of students are waitlisted for a course in the Social Sciences division (34%), while 18% and 17% are waitlisted for a course in the Biological Health Sciences or the Physical Sciences, Math and Engineering divisions. Another 13% are waitlisted for a Language Arts course and 11% for a Fine Arts course.

When examining sections with a waitlist of ten or more people, there were 893 students, which represents 45% of the entire waitlist. Sixty-eight percent of the 38 courses (or 57 sections) are taught online. Almost half of these courses with ten or more students on the waitlist are being offered through the Social Sciences division (46%).

The list of courses with at least one person on the waitlist accompanies this memo along with a list of those courses with ten or more students on the waitlist.

Methodology

The waitlist count was identified based on courses with at least one student on the waitlist.
