RE: Middlefield Enrollment for ESLL, Basic Skills Math, Basic Skills English

Overview

Middlefield campus course enrollment in ESLL, basic skills Math pathway and basic skills English pathway were identified to determine the number of students taking these courses between Fall 2012 and Winter 2014. Table 1 shows the ESLL course enrollment during this time period, indicating that only two courses were offered in the past year and a half on the Middlefield campus.

Table 1. Middlefield Campus ESLL Enrollment by Course, Fall 2012 to Winter 2014.

Subject	Course	Fall 2012
ESLL	F226.	19
	F227.	14
ESLL	Total	33

Courses in the basic skills Math pathway were offered every quarter at Middlefield with enrollment numbers ranging from 338 (F13: Math 220) to 12 (W14: Math 217) (Table 2). Math 220 was consistently offered at Middlefield between Fall 2012 and Winter 2014, while Math 230 and Math 235 was offered during the 2013 and 2014 academic years (excluding summer).

Table 2. Middlefield Campus Basic Skills Math Pathway Enrollment by Course, Fall 2012 to Winter 2014.

Subject	Course	Fall 2012	Winter 2013	Spring 2013	Summer 2013	Fall 2013	Winter 2014
MATH	F217.	23	19			30	12
	F220.	247	163	146	39	338	210
	F230.	32	58	36		30	57
	F230J			26			
	F234.				45		
	F235.	95	73	52		130	112
MATH	Total	397	313	260	84	528	391

Table 3 reports the Middlefield campus course enrollment in ENGL 209 and ENGL 110, which compose the basic skills English pathway. It appears that ENGL 110 was offered during the academic year while ENGL 209 was offered every other quarter. The enrollment in both courses is typically in the mid-20s, with the primary exception of ENGL 110 during Winter 2014 (47). Note that enrollment in ENGL 209 declined from a high of 25 in Fall 2012 to a low of 16 in Winter 2014.

Table 3. Middlefield Campus Basic Skills English Pathway Enrollment by Course, Fall 2012 to Winter 2014.

Subject	Course	Fall 2012	Winter 2013	Spring 2013	Fall 2013	Winter 2014
ENGL	F110.	27	21	0	25	47
	F209.	25	0	18	0	16
ENGL	Total	52	21	18	25	63

Methodology

Enrollment data were identified based on a campus code of FM and did not exclude those students who did not receive a final grade.

Basic skills Math pathway does not include Math 105 or Math 108 as completion of either course are degree applicable (therefore not coded as basic skills).
