

FOOTHILL COLLEGE
PROGRAM REVIEW COMMITTEE (PRC)
FEEDBACK – SPRING 2017

Thank you for your time and effort in completing the Comprehensive Program Review this year. We know it is a lot of work but we hope it has been helpful. Thank you for your ongoing efforts to improve on behalf of our students. The program review process allows others throughout the college to learn about your work and how it supports the college mission, educational master plan, and equity goals.

The Program Review Committee (PRC) read and discussed each Comprehensive Program Review during a series of meetings in Winter 2017. The committee's feedback is outlined below. Please note that PRC would be happy to meet with any department or program if there are any questions/concerns.

DEPARTMENT/PROGRAM: GENERAL STUDIES – SCIENCE

COMMENDATIONS & STRENGTHS:

PRC would like to commend the program for its high degree completion.

PRC would like to commend the program for the collaborative effort made to complete the program review, given the information and data available.

PRC recognizes that the data related to GENERAL STUDIES SCIENCE is rather limited and is not a reflection on the faculty involved with the program.

SUGGESTIONS FOR IMPROVEMENT:

PRC suggests reporting out the results of the discussions with the College Researcher regarding data available for reflection.

PRC suggests continued discussion around Program Level Student Learning Outcomes (PL-SLOs), as no assessments and/or reflections that been documented in previous years.

FINAL RATING: **YELLOW**

RECOMMENDATIONS:

PRC recommends the department continue in the regular program review cycle.

PRC recommends determining a point person(s) to facilitate the program review process for this program, as it requires collaboration across multiple instructional divisions.
