

**FOOTHILL COLLEGE**  
PROGRAM REVIEW COMMITTEE (PRC)  
FEEDBACK – SPRING 2017

Thank you for your time and effort in completing the Comprehensive Program Review this year. We know it is a lot of work but we hope it has been helpful. Thank you for your ongoing efforts to improve on behalf of our students. The program review process allows others throughout the college to learn about your work and how it supports the college mission, educational master plan, and equity goals.

The Program Review Committee (PRC) read and discussed each Comprehensive Program Review during a series of meetings in Winter 2017. The committee's feedback is outlined below. Please note that PRC would be happy to meet with any department or program if there are any questions/concerns.

---

**DEPARTMENT/PROGRAM:** KINESIOLOGY

**COMMENDATIONS & STRENGTHS:**

PRC commends the department for acknowledging issues around overall productivity and specifically calling out and discussing productivity related to online courses.

PRC commends the department for its contribution to the implementation of the Online Course Quality Standards.

PRC commends the work being done with the local high schools.

PRC commends the efforts being made to increase face-to-face course enrollment.

**SUGGESTIONS FOR IMPROVEMENT:**

PRC suggests the department continue to discuss methods for addressing the face-to-face productivity issues and specifically calling this out as a program objective.

PRC suggests the department address plans for improving success rates for disproportionately impacted student groups.

**FINAL RATING:** **GREEN**

**RECOMMENDATIONS:**

PRC recommends the department continue in the regular program review cycle.

As a Kinesiology AD-T does exist, the department should begin a discussion around crafting and assessing Program Level Student Learning Outcomes (PL-SLOs), as none currently exist.
