

# Associate Degree For Transfer Pathways

Save \$10,000\* per year on Transfer-friendly Bachelor's Programs

## Transfer-Friendly Bachelor's Programs For \$7,000\* Per Year

The California Community Colleges-Associate Degree for Transfer (CCC-ADT) program makes it easy to transfer to National University. The program guarantees Associate in Arts for Transfer and Associate in Science for Transfer degrees (CSU Breadth or IGETC patterns) are fully transferable and aligned to similar bachelor's degrees, which can be completed in 60 semester credits (90 quarter units) or less.

### Transfer Scholarship

- CCC transfer students who earn their Associate Degree for Transfer (ADT), Associate of Arts Transfer (AA-T), or Associate of Science Transfer (AS-T) degree within 36 months of applying directly to NU are eligible for scholarship pricing of \$880 per course
- Additional coursework beyond the 60 semester credits (90 quarter units) may be required for AA and AS transfer degrees
- To be eligible, all students must complete a FAFSA application

\*Assumes eight courses per year at \$880 per course (max. 20 courses) Not all ADT programs are offered at every California Community College. Vocation Associates and Applied Science are not applicable. All degrees must be transferable. Please contact your community college counselor for course availability.

## NU Supports The Whole You

Through the power of NU's innovative Whole Human Education™, there are no barriers to what you can achieve. You'll get the academic, emotional, career, financial, and family support needed to reach your personal and professional goals.
