

OREGON STATE UNIVERSITY

Wednesdays with the Colleges

Meet virtually with representatives from Oregon State University's academic colleges to learn more about our majors, programs, resources and the transfer admissions process. If you're a transfer student exploring majors or know exactly what you want to study, this is a great opportunity to begin connecting with those in your program!

Click on the dates below to register for each event. All of these events will be held virtually via Zoom and attendees have the option of calling in by phone.
