

Foothill College Articulation, Counseling and Transfer Center

What are your...

Use this sheet to help you determine how your choices for schools rank among each other. List schools in each category by determining how likely it is that you will get a successful transfer.

Use the following as a general guideline:

¥ Long shots are those schools where you would really like to go if everything works out perfectly.

¥ Good Chances schools are those that you feel will accept you.

¥ Safeties are schools that you KNOW will accept you.

.

Long Shots:

Good Chances:

Safeties:

Try to apply to at least two schools in each category!
